

# Cloud Human Capital Management

**Start Date: 5/20/2015 7:30 AM**

**End Date: 5/20/2015 9:00 AM**

**Speaker:** Sameer Penakalapati, President/CEO, Avani Technology Solutions, Inc. **Sponsor:** Maynard HR Consulting **Location:** NYSUT Conference Center, 30 North Union Street, Rochester, NY 14607 **Registration & Networking:** 7:30 - 8:00am **Program:** 8:00am - 10:00am This program has been pre-approved by the Society for Human Resource Management for 2 Professional Development Credits (PDCs) towards the SHRM-SCP or SHRM-CP, and 2 HR (General) recertification credits by the HR Certification Institute. Recruiting and retaining a top talent is number one priority for any business and more to small business community. Overcoming the challenges in recruitment/hiring cycle demands a speedy turnaround when hiring, access to abundant recruitment resources, effective analytic tools, and finding the perfect candidate to fill a position. Once hired, the intricacies of managing employees: Expenses, timesheets, work authorizations, leave management, and more also requires strategic navigation. A Human Resource Professional looks to embrace cutting edge innovation which increases efficiency and productivity. An Enterprise Cloud Based portal for complete Workforce Management with Mobile functionality is essential to meet and exceed this goal. Access information anywhere anytime is critical for timely decision-making, putting business-critical data at the finger tips of the practitioners, and executives who need it, when they need it. By the end of this session, participants will: Identify the specific challenges and gaps when managing their employees and recruiting/hiring procedures. HR professionals will set goals, creating a strategic plan to fill the gaps and meet challenges. Participants will have clear understanding of how to easily move towards SaaS based delivery models. About the Speaker: Sameer is an information technology industry professional with over 15 years of industry experience in delivering IT solutions to customers globally.
